The Archie Bray Foundation for Ceramic Arts has made the difficult decision to close its education programs, sales gallery, and clay business to the public through March 31 to help stop the spread of COVID-19. Online and phone sales/orders will continue for the gallery and clay business while we are closed to the public. Bray administrative staff remains available via phone and email. Please reach out if we can assist you or provide resources during this unprecedented time.

The Bray relies on support from community members like you to offer an environment that stimulates creative work in ceramics. Several of our long-time supporters have asked how they can help the Bray while we have reduced activity and unplanned closures. Here are a few ideas:

- **Turn your class registration fee into a tax-deductible donation.** As previously shared, all of our March programs have been canceled or postponed. If you are registered for a canceled March program, consider donating the purchase to the Bray. Your donation helps offset some of the expenses already accrued. We fully understand if you are not in a position to do so and are happy to offer a refund upon request.
- **Renew, Upgrade or Become a Bray Member.** An immediate way to help is by renewing or upgrading your membership. If you are not a member yet, consider now as the time to act. Your involvement ensures we can continue supporting artists and nurturing creativity in our community. To renew or join, [click here](https://example.com).
- **Make a Donation in any amount.** We are always grateful for your support and, if you are able to, consider making an additional gift to the Bray. To make a tax-deductible donation, [click here](https://example.com).

Hearing from our community now is especially meaningful and when the time is right, we are eager to re-open our doors and warmly welcome everyone back to the Bray. Until then, we are dedicating this time to find new ways to share clay and creativity with you.

Make sure to follow us on Instagram and Facebook so we can stay connected or sign up to our e-mail list.
We will be doing weekly broadcasts from the Bray on Instagram Live and Facebook Live from the Bray to share different aspects of our campus and programs and provide an opportunity for our supporters to offer feedback.

The first broadcast will take place this **Monday, March 23 at 1pm mountain time**. Our Director, **Steven Young Lee** will live broadcast from his studio, throwing porcelain cups and answering questions from you about what’s happening at the Bray or about his work. Feel free to post any questions in the comments below or share them during the broadcast. We hope to see you then! Stay well.
