

THE **BRAY** 2024

HONOR ROLL

RECOGNIZING THE GENEROSITY THAT SUSTAINS THE BRAY

This issue of the Honor Roll is dedicated entirely to acknowledging the individuals, foundations, and organizations whose support powers the Archie Bray Foundation for the Ceramic Arts. Within these pages, we honor those who have contributed to The Bray's mission—promoting, celebrating, and sustaining the ceramic arts.

Every gift from people in these lists represents a connection to our shared vision: to advance the ceramic arts and nurture artistic exploration. This publication is both a gesture of gratitude and a celebration of the collective generosity that continues to shape The Bray's legacy. Thank you!

OUR MISSION

The Archie Bray Foundation is actively committed to promoting, celebrating, and sustaining the ceramic arts through the residency program, education, gallery, ceramic materials and technology, and community engagement on a local, national, and international scale. In the words of Archie himself, The Bray makes available, "for all who are seriously and sincerely interested in any of the branches of the ceramic arts, a fine place to work".

THE LAND

The Archie Bray Foundation recognizes and honors the Indigenous peoples of this region on whose ancestral lands the Foundation now stands. Indigenous people have inhabited the valley in which Helena is situated for more than 12,000 years, the valley acting as a crossover for Salish, Crow, Bannock, and Blackfeet tribes, among others.

We respectfully acknowledge and honor all Indigenous communities on whose land we now reside and are grateful for their ongoing and vibrant presence. We believe that acknowledging and reflecting upon the contemporary lived experience and history of Indigenous peoples here in Montana and around the world are essential steps toward creating a more equitable world. Learn more through the #HonorNativeLand initiative of the U.S. Department of Arts and Culture, and consider contributing to Indigenous-led organizations doing important work to further the health and wellness, sovereignty and self-determination of the first peoples of this land.
